

Quick reference guide

Login

1. Make sure you're connected to the internet.
2. Go to the Flexischools website
flexischools.com.au
3. Sign in with your username & password.

You should land directly in the supplier portal, however, if you don't, click on "Supplier Portal" on the left hand side menu.

The screenshot shows the Flexischools login interface. At the top is the Flexischools logo. Below it is the heading "Log into your Flexischools account". There are two input fields: "Email address" and "Password", each with a small eye icon to toggle visibility. Below the password field is a link that says "I forgot my password". A large green "Log in" button is centered below the fields. At the bottom, there is a link "Don't have an account? Sign up now" and a small copyright notice "Flexischools. All rights reserved."

Print a label or report

- Open the **Orders > Food** page to access the label printing screen.
- Click **Print Labels** only when ready to print. Select the TSC label printer on the print preview screen. Note: Once on this screen, orders are marked as printed, and locked to prevent parent cancellations.
- If you wish to print your Item, Class, and Sales Reports, go to the blue **Reports** tab. Ensure your printer is set to A4 for reports.

Search for a new lunch order

- Go to the **Order Management** page and search by name, surname, or Order ID.
- View order details, status, and history (time order is placed or time printed) by expanding with the + sign or clicking the **State** column.
- Reprint or cancel orders via the **3-dot menu**, or reprint multiple labels by selecting the checkboxes and clicking the **Print** icon.

Easily view parent contact details if you have an order query.

Cancel an order

- Go to **Order Management** under the relevant service category (Food, Shop, Events). Search for the order by Order ID or student name.
- Select the checkbox next to the order and click the **Cancel** icon. Confirm by selecting **Cancel Order** in the pop-up.
- Once processed, the order status will update to **Cancelled**, and the parent's funds will be refunded to their Flexischools wallet.
